## Story 1 - God creates the world.

You can read this story in your Bible:

Genesis  
1: 1-19

Genesis 1: 1

Ask somebody to help you find this verse.

Do you enjoy making things? Perhaps you like playing with Lego. What a lot of bricks, windows and doors it takes to build a house. It takes many different pieces and a lot of hard work.

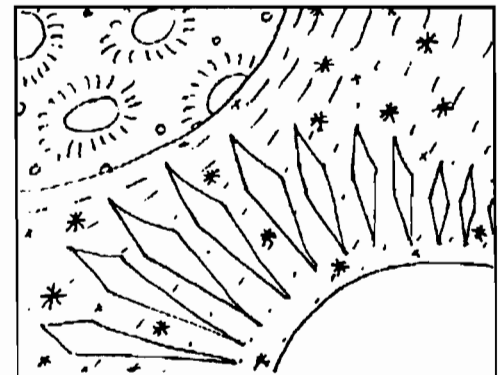

When God made the world it was very different! The first verse of the Bible tells us that:

**“In the beginning God created the heavens and the earth”,**

which means that He made them out of nothing. Before God made the world there was just darkness. God is so great that when He made the world all He had to do was speak.

### Day 1

On the first day, God said, “Let there be light”. Immediately there was light. God called the light “day” and the darkness “night”. Instead of darkness all the time there was day followed by night.

### Day 2

On the second day, God spoke again and created the sky and the air which are all around the earth. Night came again and the second day ended.

What did God make on the second day? \_ \_ \_ and \_ \_ \_

**Day 3**

Up until this point the earth was covered in water but now it was time to create the land. God spoke and the water made room for the new land.

The water around the pieces of land became the sea. Then God spoke again and said, "Let the land be covered with all kinds of plants and trees". God looked at all He had made and said it was good.

**Day 4**

On the fourth day, God made special lights to shine in the sky - the sun for the day and the moon and the stars for the night. God saw the lights He had created and saw that they were good.

**Look back at what God has already made, and write down on which day God made:**

the land, plants and trees. Day .....

the lights for the sky. Day .....

God wants us to enjoy everything that He has made too. When we see all the wonderful things around us, we should remember that it is God who made them and thank Him for them.

**Fill in the missing words from the first verse in the Bible.**
