Lesson No. 2 In The Beginning - God Creates Man

Genesis 1: 20-31

Genesis 1: 27

Have you ever thought how much power it takes to cause a volcano to erupt or how powerful the wind has to be before it becomes a hurricane, whipping up everything in its path? These things are hard for us to imagine. Think then about the amazing power that made the world we live in, the **ALMIGHTY POWER OF GOD**. We read about God's great power in creation in Genesis. We see Him in all His glory as He creates the animals and then, most wonderful of all, He creates the first human beings. **Which two of the following creatures did God make first? Write their names in the box.**

No wonder He was pleased with everything He did.

When designers create something new, they make a pattern.

What did God use as a pattern when He made man?

(See verse 27.)

What a wonderful time God must have had creating all the hundreds of different animals! However, God's greatest creation was mankind. God breathed into Adam the breath of life and man became a living soul! (Genesis 2: 7) This made Adam different from all other living things. God planted a beautiful garden in which Adam could live, and He even made him a companion, who was the first woman. God Himself came down to walk and talk with them in the garden. How wonderful it must have been!

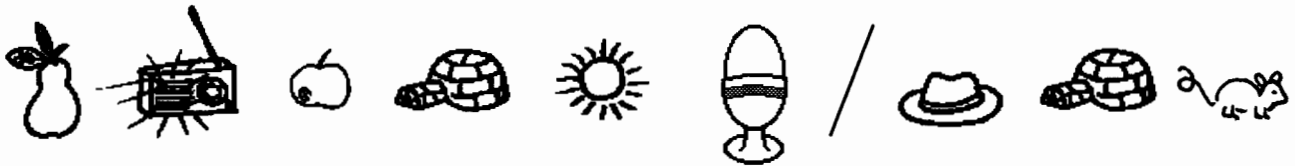

What was the name of Adam's wife? (Read Genesis 3: 20.)

God is the maker of the Universe. You can see proof of His power and glory in Nature all around. There is no power greater than His because He is the maker of everything!

God made you different from the animals.

The next time you look in the mirror, remember you are special, so don't forget to praise Him!
