Lesson No. 2 Noah and the Flood - Into the Ark

Genesis 7: 1-20

Key Verse

Genesis 7: 5

How do your family members show you that they love you? As well as feeding and caring for you, they teach you the right way to do things. This sometimes means that you're told off when you do wrong. Part of showing your family that you love them is to do as they tell you. Noah showed how much he loved God by obeying Him. He did exactly what God told him to do.

God saved Noah because he obeyed Him by building the ark and entering into it, as God told him. God wants to save us too. As God invited Noah into the ark to be saved from the flood, so He invites us to trust the Lord Jesus in order to be saved from our sins.

Can you think of any ways God has shown His love to you?
