After seven days it began to rain. It rained and rained and rained, day after day after day! The rivers and seas became great floods. All the grass and flowers were covered with water.

The people outside the Ark now believed Noah, but it was too late! God had shut the door!

Still the waters rose higher and higher. It covered houses, trees and even the highest mountains. All the wicked people drowned, and no one escaped. What a sad thing it is when people forget about God and live only to please themselves!
