

## Story 2 - Safe in the Ark.

A true story  
from the Bible:

Genesis  
7: 1-16

*This story is about:  
When the flood started.*

During the time that Noah was building the Ark he told the people about what God was going to do. But nobody believed Noah. They just laughed at him!

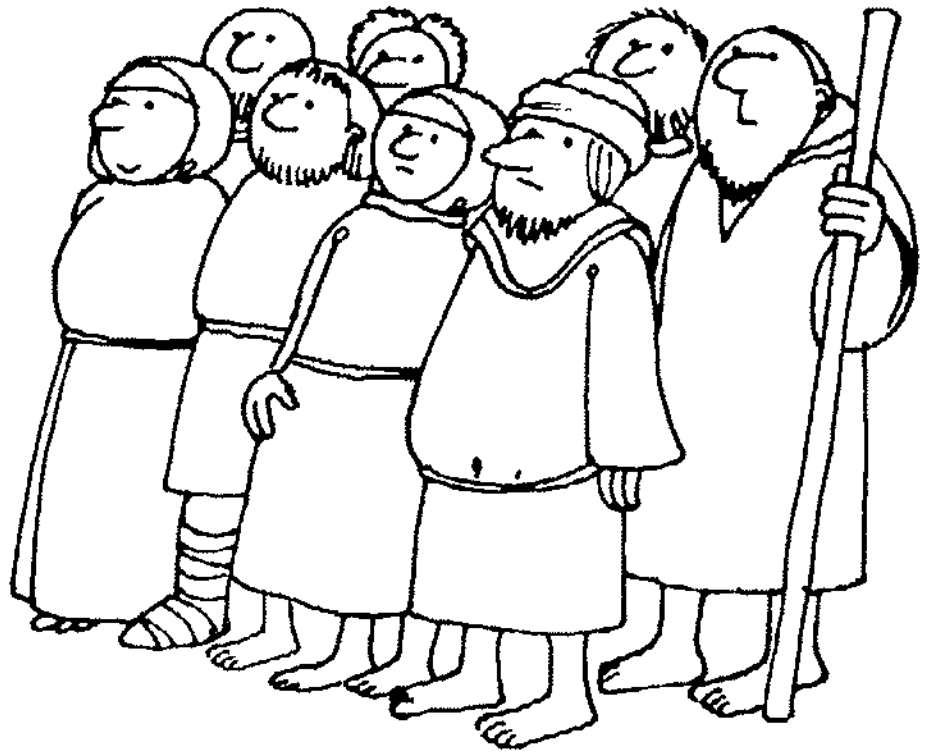

Noah and his family went into the Ark. Soon it began to rain. It rained and rained and rained, day after day after day! The rivers and seas became great floods. All the trees and hills were covered in water.

The people outside the Ark now believed Noah, but it was too late to get into the Ark. God had shut the door!

**Who shut the door of the Ark?** \_ \_ \_ \_

Inside the Ark, Noah, his family and all the animals were safe!

Because Noah had trusted and obeyed God, He was keeping them all safe.
