Lesson No. 3 Noah and the Flood - Saved by the Ark

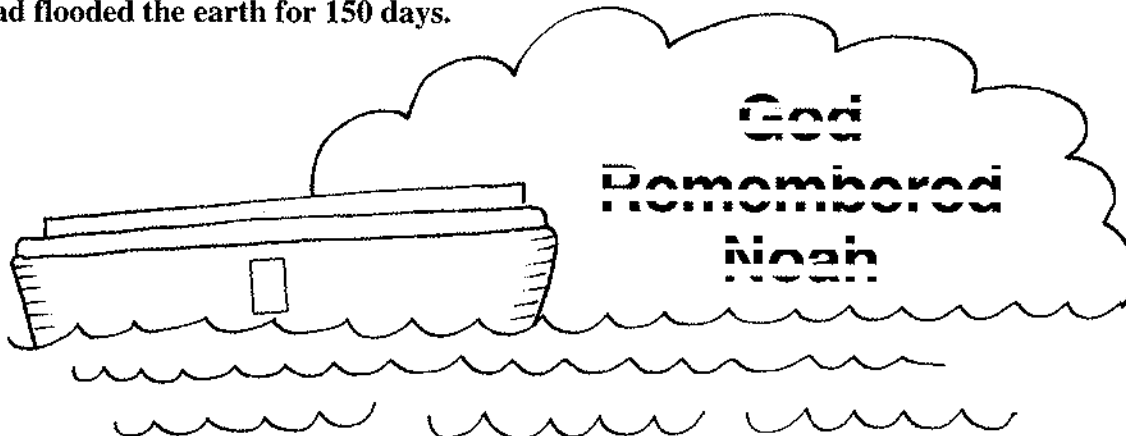

Genesis 8: 1-22

Genesis 8: 1

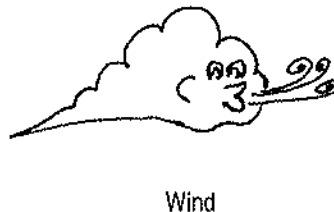

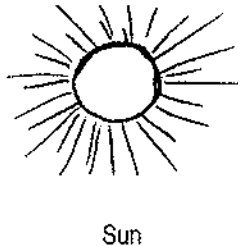

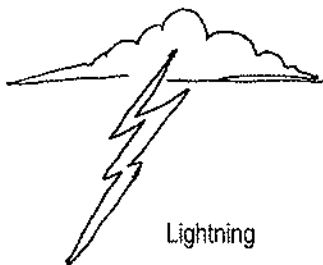

Did you ever wake up in the middle of the night and feel very frightened? It is at times like that you're glad you have someone looking after you. We need the care and protection of those who love us. The Bible says God looks after those who trust in Him. He certainly did this for Noah when the great flood came.

The ark saved Noah from the flood, which was God's punishment for man's sin. We can be saved from the punishment for our sin because the Lord Jesus suffered in our place, when He died on the cross.

Look at God's promise in verse 22 of the Bible Reading, and write under each pair of pictures the part of the verse that suits it best.

No problem is too big or too small for us to tell Him about. If you ask God to save you, He will always help you.
