Have you ever been left on your own? It is not always nice being all alone. God didn't want Adam to be alone.

Adam was surrounded by many beautiful animals, birds, trees and plants, but God knew he needed someone special to share his life in the garden.

God put Adam into a deep sleep, and while he was asleep, He made the first woman called Eve.

Adam was no longer alone. He now had someone who would be his wife and companion as he looked after the garden in which God had put him.
