Lesson No. 4 Noah and the Flood - Out of the Ark

Genesis 9: 7-17

Genesis 9: 15

What does it mean to make a promise? We usually say, "I promise", if we intend to make every possible effort to do as we have said.

Has anyone ever broken a promise to you? It's very hurtful when this happens.

God never breaks His promises.

This part of the story is all about God's promise to Noah and his descendants.

What did God tell Noah to do? Answer YES or NO:-

Increase in number and fill the earth.

Build a home for your family.

Build another ark.

Word Puzzle

Colour or shade these words which are written backwards, forwards, up and down in the Word Puzzle.

Write out the remaining letters to find out something God always does.

God promised that He would never flood the whole world again, but He must still punish sinners by separating them from Himself. Today if we believe that the Lord Jesus died for us, God promises we shall be saved forever.
