Ask someone to help you find this verse.

Mary was looking forward to the birth of her baby. Everything was ready for the birth in her home town of Nazareth in Galilee.

Then came the order from the Roman Emperor that they would have to go to the city where they were born to have their names registered.

This meant that Mary and Joseph would have to make the long journey to Bethlehem, which is sometimes called 'The city of David'.

On the map name the town where Mary lived and the place to which they went.

When they arrived at Bethlehem, it was so crowded that it was difficult to find anywhere to stay. There was no room in the inn, but they eventually found a place where they could stay.

Here Jesus was born. Mary had only cloths to wrap Him in, and then she laid Him in a manger in which the animals' food was usually put. No one would have thought that a baby placed here could have been so important!
