

Story 4 - The New Leader.

A true story
from the Bible:

Genesis
41: 14-49

*This story is about:
Joseph becoming ruler
of Egypt.*

For years, Joseph was in jail! Then one day he was taken to meet the king of Egypt. The king had some strange dreams and he wanted to know what they meant. Someone had told the king that Joseph could explain dreams.

Joseph told the king that his dreams meant there were going to be seven years of very good crops; these would be followed by seven years of very poor crops. Famine would then spread all over Egypt. Joseph said the king should get someone to store up all the extra food during the good years. This would then be used to feed the people during the bad years.

The king was very pleased with the way Joseph explained the dreams. He gave him the job of storing all the food. He also gave him a ring, a gold chain for his neck, and a big chariot to ride in. He made him ruler of Egypt.

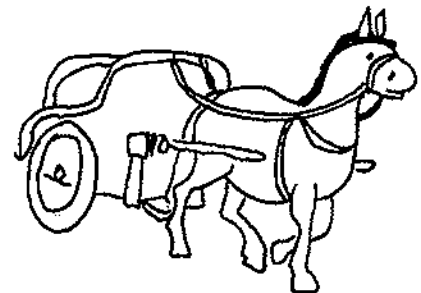

Write below each picture the name of the gifts the king gave Joseph, and colour them.
