

What EIGHT things did God promise would never cease?

--	---

This is an everlasting covenant between God and Noah and all living creatures. God always keeps His promises. God also makes many promises to us in His Word.

Look at John 3: 36. What does the Lord Jesus promise in this verse:-

1. To those who believe in the Son?

	1
--	---

2. To those who do not believe in (reject) the Son?

--	---

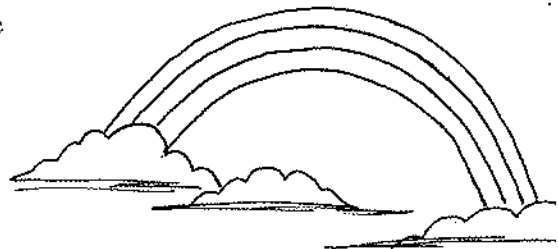

God also made a promise to Noah and all following generations that He would never flood the world again.

Of what was the rainbow a sign or token?

--	---

There was only one way that Noah and his family could have been saved from the flood. God planned and provided the way. He has also planned and provided just one way for each of us to be saved from the judgment to come.

*Jesus said, "I am the way." (John 14: 6)  
There is salvation in no one else. (Acts 4: 12)*

Look at the Key Verse and fill in the two missing words below.

"For it is by God's ..... that you have been saved, through ....."

The salvation God offers us is based on God's promises and God's grace. We do not deserve His salvation and we can do nothing to earn it. It is the gift of God through faith.

FAITH is the Key Word in each of these four studies. It has been in each of the four Key Verses. Do you know what faith in God means?

Have you, like Noah, taken God's Word to heart and shown, by your obedience to Him, that you believe what He says?
